HAPPY NEW YEAR

FROM STS. PETER & PAUL

It is amazing that God chose to enter our fallen human condition by becoming Incarnate in the womb of the Blessed Virgin Mary. He was born of her, raised by her and Saint Joseph, acquired human knowledge through their teaching, worked with His hands, experienced the fullness of human society, and did so within the context of an earthly family. Jesus, Mary, and Joseph made up a sacred family, the Holy Family. Today's feast continues our Christmas Day celebration. This feast falls within the octave of Christmas that culminates January 1 with the Solemnity of the Mother of God.

Though the earthly life shared by Jesus, Mary, and Joseph has always been a source of prayer and inspiration, the feast we celebrate today is relatively new. In 1890, Pope Leo XIII issued his encyclical *Sapientiae Christianae* (On Christians as Citizens) in which he emphasized the duties of Christians as citizens in a changing world. At that time, the holy father was concerned about the negative impact that the Industrial Revolution, secularism, and new political ideologies—such as communism—were having upon Christian citizens and the family in particular. He feared that the desire for economic advancement and the communistic separation of God from the political structures would result in the breakdown of the family, the fundamental building block of society. In that encyclical, the Holy Father stated:

This is a suitable moment for us to exhort especially heads of families to govern their households according to these precepts, and to be solicitous without failing for the right training of their children. The family may be regarded as the cradle of civil society, and it is in great measure within the circle of family life that the destiny of the States is fostered. Whence it is that they who would break away from Christian Discipline are working to corrupt family life, and to destroy it utterly, root and branch.

In 1892, Pope Leo XIII issued an apostolic letter, *Breve Neminem Fugit*, in which he highlighted the importance of the Holy Family for the world as a model for every virtue necessary for human growth.

To all fathers of families, Joseph is verily the best model of paternal vigilance and care. In the most holy Virgin Mother of God, mothers may find an excellent example of love, modesty, resignation of spirit, and the perfecting of faith. And in Jesus, who was subject to his parents, the children of the family have a divine pattern of obedience which they can admire, reverence, and imitate.

In 1893, Pope Leo XIII instituted the Feast of the Holy Family as a liturgical celebration to be celebrated in any diocese that requested it. The feast continued to spread, bringing about a renewed appreciation for the sacredness of family life. In 1921, three years after the end of World War I, Pope Benedict XV, sharing the concerns of his predecessor Pope Leo XIII, added the Feast of the Holy Family to the universal Church calendar.

A prayer for the solemnity of MARY, MOTHER OF GOD

Dearest Mother Mary, you were graced with a grace beyond any other. You were preserved from all sin and remained perfectly obedient to the will of God throughout your life. As a result, you became the perfect instrument of the Savior of the World by becoming His mother, the Mother of God. Pray for me that I may ponder this great mystery of our faith this day and ever more deeply rejoice in the incomprehensible beauty of your motherly soul. Mother Mary, the Mother of God, pray for us. Jesus, I trust in You.
